

TUITION ASSISTANCE APPLICATION

Dear Parent,

We're pleased to be able to offer tuition assistance whenever possible. Tuition discounts are dependent on:

- your commitment to having the student arrive to class on time, consistently, and ready to participate and learn.
- Your willingness to volunteer if needed
- Your participation in a survey for your feedback regarding the student's participation. This helps us find support – tuition assistance is possible because of contributions from the community.

Please submit this form with your completed registration form. Your request cannot be considered without this information.

Thanks!
