Dear Parents of Students in our Second Grade Classes,

We are delighted to have your child dancing with us at The Dance Foundation for our 2022-2023 season! We want to share with you our plans for the spring performance. We will have five separate shows to accommodate our 3-year-old through 2nd grade classes to keep the event short and audience small. Each class will be assigned to one of the performance times listed below.

Performance dates (each class will only be assigned one of the following):

Saturday, May 6, 2023 – 1:00 or 3:00

Sunday, May 7, 2023 – 1:00, 3:00, or 5:00

Costumes:

Second graders in more than one class will have a separate costume for each class. Students will have a dressing room backstage in which to change if their classes are in the same performance.

The Performance fee: First half due November 15th

Each student pays a performance fee of \$165 plus half (\$82.50) per each additional recital costume the student has beyond the first. This fee includes their costume, which belongs to the dancer after the performance. The performance fee also covers production costs and a digital video download of your performance produced by Music Techniques. There are no tickets required for the performance. All are welcome!

Half of your total recital fee will be billed October 15th and will be **AUTO-DRAFTED** from your card on file on November 15th. If you would like to pay the total recital fee at this time, please contact us and we can help you.

Performance Fee: \$165

Fee per additional class: \$82.50

If your child will not participate in the recital, please notify our office by November 1st.

Otherwise costumes will be ordered for your child and you will be obligated for half of the performance fee, as stated in our policies.

Enjoy the year, and thank you for being a part of The Dance Foundation!
